📍 Essex, UK

Presentation Specialist with 6+ years agency experience delivering high-impact sales and corporate decks for UK businesses. I combine strategic thinking with strong visual design to create structured, persuasive presentations that communicate complex information clearly and professionally.

WORK EXPERIENCE

Presentation and Graphic Designer

Freelance

July 2022 – present

Being proficient with Adobe software, I choose PowerPoint to turn any content to a beautiful, engaging, easy-to-digest, high-end design materials.

- work closely with clients to develop their presentation to a high standard
- develop or apply existing visual language across slides
- simplify complex data and charts to an engaging format
- assist with any technical enquiries and suggest best problem solution
- offer wider design services from print-ready brochure to design for events

Presentation Designer

Article Ten Ltd

Aug 2018 – Jul 2023

Developed advanced PowerPoint expertise within a specialist presentation agency, delivering presentations for corporate and external audiences.

- interpret creative briefs and develop them into presentations, using a tone and style which is consistent with brand guidelines
- develop engaging design concepts, fully functional presentation templates, design content slides and update existing presentation for both internal and external audiences
- create functional presentations in Key Note, Google Slides, Prezi
- explore new ways to raise the bar for presentations, i.e. advanced animations, multi-media content, interactivity, 3D modelling
- on-site conference support
- assist creating internal pitch documents, showreel and other promotional materials
- work well to tight deadlines and under pressure

Graphic Designer

Brandnation Integrated Ltd

Aug 2017 – Aug 2018

What started as an internship at PR and Marketing agency turned to full-time contract and led to promotion all within 9 months.

- work on variety of creative campaigns across print, digital, social platforms and venues
- maintain a detailed understanding of all brands and their audience
- brainstorm ideas and creative solutions
- visualise a wide variety of concepts: graphics, branding, editorial, image manipulation, website, press advertising
- edit, retouch, resize photos and images
- design commercial pitches and create mock-ups
